"This is easily the best food in town. The food is fresh and the waiter who served us was keen to make sure we enjoyed our meal. He checked with the chef to see if the restaurant could do a dish that was not on the menu (it could). The location is also excellent. Even though it is a little more expensive than the average, I would definitely return as it is money well spent.

"We went for an early dinner on a Sunday night and were greeted by a lovely French waitress who gave us an option of an inside or outside table. As a very loud band was playing at the pub across the road, we chose a secluded corner spot with views of the garden and the bay. We were immediately impressed with the ambiance of the place, with great choice of music and elegant decor...

...Having had a big lunch, we weren't that hungry so ordered two vegetarian mains to share, which came out very quickly and were presented well. The House salad of goat's cheese, apple, celery, walnuts & mixed leaves with champagne vinaigrette was excellent, with perfectly balanced flavours and was a good size serving...

...By this time the restaurant was filling and the soft lights from the chandeliers we're setting a romantic mood. We were having a lovely time and decided to share dessert. We went for the traditional Crème caramel and were not disappointed, (though it could have been a tad firmer), it nicely finished off a perfectly relaxing evening at bistro 3. I can't wait to go back next year for a proper meal!"

"Just wanted to send you a note regarding my recent experience at Bistro 3. My partner and I were in Port Douglas for a wedding and called into Bistro 3 for a 'bite to eat' at the end of our wonderful holiday. To this day, we cannot stop raving about the fabulous food we had at Bistro 3. In fact we have told everyone that it was the best meal we have ever had. We shared the Coffin bay oysters for entree then I had a pasta special with Yabbies & Mussels and my partner had the tuna with mash & wasabi avocado. We figured the mains and entree's were so great that the dessert was worth while trying as well. As full as we were, we forced down a dessert each and were absolutely delighted with every mouthful. Thank you to all the staff for a wonderful evening, dreamy cocktails and tentative service. We are looking forward to another trip to Port Douglas in the future and will definitely be visiting Bistro 3 again."
